

USB Omnidirectional microphone

TRI-ACV-MUSB-4057

Large venues | Live events & performing arts | Auditorium | planetarium | Network Operation Centers

Features:

- Easy to carry, small and medium-sized meetings will be launched at any time.
- HD, full duplex audio solution.
- Microphone dynamic speech enhancement technology.
- Adaptive high-definition amplification technology.
- The 3.5mm interface can be used for docking mobile phones or other analog devices.
- support USB/ Bluetooth (optional)
- Low power consumption design
- 360 degree omni directional pickup, plug and play
- The inductive button design is more dust-proof and more durable.

Functions:

- Internet conference call Support computer communication software audio, such as ZOOM, Teams, Skype and other instant messaging software.
- Answer the conference call alone Connect to 3.5mm earphones, after the speaker is muted, you can listen to the voice alone.
- Voice network voice processing technology Smart pickup with 360° high coverage 256ms echo cancellation Full-duplex call technology Dynamic noise reduction
- Portable microphone and speaker No need to drive, plug and play Clear sound quality, no noise and no harshness High-end and elegant business appearance

TRI-ACV-MUSB-4057

Technical specifications

Parameter	Value
Audio characteristics	
Digital audio processing	
256ms echo cancellation	
Intelligent dynamic noise reduction	
Full duplex	
360°Smart Pickup	
-3m pickup radius	
Computer system requirements Windows 8 / Windows 7 / Windows 10/Windows XP, others	
Features	
Support computer terminal communication software audio -Such as ZOOM, Teams, Skype, etc.	
Volume up/down adjustment	
Indicator	
Environmental requirements	
Temperature	5°~44°
Humidity	20~85% (no condensation)
Noise level	<48db
Storage temperature	-10°~55°
Reverberation time	<0.5 seconds
Component	
Size	155*148*37mm
net weight	346g
Color	black
Network Interface	USB 2.0 (compatible with USB 1.1)
3.5mm headphone jack microphone	
Omnidirectional microphone	
Audio bandwidth is 0-8000Hz	
Speaker	3 inch antimagnetic speaker
power supply	USB powered
DC 5V/500mA
